

# 2019 Instructional Materials Review Panel (DRAFT)

## Recommendations for State-Adopted Programs

*(Recommendations to be submitted to State Board of Education on 12/10/2019 for approval)*

Listed below are the program titles that have been recommended by the 2019 Instructional Materials Review Panels. The State Board of Education (SBE) will receive the Panel recommendations on December 10, 2019. Review sites will receive samples of the programs' student editions or an information packet/sheet for 100% digital programs. If programs are listed under more than one subject area only one copy of each title will be provided by the publishers.

Dates for public review are October 15–November 15, 2019. The deadline for materials to arrive at each public review site is on or before October 9, 2019. Please post in a visible location at the display site the Public Comment Website information sheet provided and have additional copies available for the duration of the review period. Citizens will use the website to submit their comments about the instructional materials they have reviewed.
